Disaster & Immediate Evacuation, LLC

“Drastic Times Call For Drastic Measures”

No person should be without a
Personal Emergency Kit (P.E.K.)

Disaster & Immediate Evacuation will provide
individuals with the proper equipment that will assist
you in disaster scenarios.

Be the one who takes the initiative to get your family, friends, your business and co-workers prepared for the next emergency. The cost for your safety is no way in comparison to the price that it may cost you in the aftermath of one of these catastrophes.

**With all of
life's
uncertainties,
the one thing
we all can be
certain about
is no one
knows the
future.**
